

Neighbourhood Policing

Redcar Newsletter - May 2019

Performance

The Redcar sector covers the wards Kirkleatham, Coatham, Dormanstown, West Dyke, St Germain's, Longbeck, Zetland and Newcomen

Sector areas of focus

The current areas of focus for this sector are;

- We are aware of reports of ASB both in the Hollyhead Drive area (West Dyke) and Foxrush Close (Kirkleatham). We will be conducting extra patrols and paying additional attention to these areas.
- We are aware of the fire setting and ASB at Errington Woods and will be conducting additional patrols and working with Cleveland Fire Brigade and RCBC to take action here.

News

- We continue to recontact victims of ASB and criminal damage across the sector within 24 hours of their call to assess their vulnerability and consider what additional support we can offer working with our partners. This has led to us identifying and assisting more vulnerable people.
- Youths are due to attend the police station throughout May to sign Anti Social Behaviour Agreements, due to ASB on Redcar High Street, R-Kade Skate Park and setting fires on the sand dunes and Dormanstown.
- Another large quad bike was seized in Dormanstown on 21st April as part of Operation Endurance
- Newcomen and Zetland wards had the lowest levels of total crime in April than in any other month in the previous 12 months.
